

CORELIGHT NFR DEMO TERMS

These NFR Demo Terms ("**NFR Demo Terms**") govern a Partner's (as defined below) purchase and/or use of NFR Demo Products (as defined below) that are made available by Corelight, Inc. and/or any of its affiliates, as applicable ("**Corelight**"). These NFR Demo Terms supplement the terms of Partner's applicable distributor, reseller, service provider, systems integrator, or other channel partner agreement with Corelight ("**Agreement**"). Any references to "**Partner**" below mean the applicable channel partner that has entered into the Agreement with Corelight and is placing an order for NFR Demo Products. "**NFR Demo Product(s)**" means any Product designated as an "NFR Demo Product" at the time of sale to Partner by Corelight or by an authorized Corelight distributor. NFR Demo Products are subject to the additional restrictions set forth in these NFR Demo Terms. Corelight limits the number of NFR Demo Products that may be purchased by Partner (contact a Corelight channel representative for more details). Partner may use NFR Demo Products subject to these NFR Demo Terms and the terms of the applicable Corelight end user agreement located at www.corelight.com/legal/agreements ("**Customer Agreement**") solely for internal testing and demonstration purposes. Partner will not use any NFR Demo Product in a production environment (including in connection with a paid proof-of-concept or other revenue generating services), or resell or transfer any NFR Demo Product to any third party. Any use by Partner contrary to the foregoing is prohibited. If Partner does use a NFR Demo Product in a manner contrary to the foregoing, then in addition to any other remedies that may be available to Corelight, Partner will promptly pay Corelight the difference between the then-current list price of such Product and the price paid for the applicable NFR Demo Product (if any). All NFR Demo Products are provided "AS IS" without any warranties or indemnities of any kind. These NFR Demo Terms are incorporated by reference into the Agreement and any breach of these NFR Demo Terms will be deemed a breach by Partner of the Agreement. Any capitalized terms used in these NFR Demo Terms, but not defined, will have the meanings attributed to such terms in the Agreement. In the event of a conflict between the terms of these NFR Demo Terms and the terms of the Agreement, the NFR Demo Terms will control solely with respect to NFR Demo Products, unless otherwise mutually agreed upon by the parties in a separate, signed written agreement.
